

### **Team Uganda 2019 – Team Member Skills and Attributes**

#### **Successful volunteers are likely to be:**

- Good team players;
- Friendly and approachable;
- Confident communicating with others;
- Good at explaining information and motivating others;
- Keen to learn and share knowledge with others;
- Positive, flexible and adaptable;
- Good at solving problems;
- Sensitive to other cultures;
- Resourceful and happy to get stuck in to get the job done.

#### **Volunteers in each of the three sub teams will ideally be:**

- Interested in community research, with a good knowledge of relevant research skills;
- A particular interest in one of the three sub-team areas: gender equality, climate action or health and well-being;
- Curious to find out information and good at listening;
- Able to use basic IT skills;
- Passionate about creating sustainable change;
- Creative and flexible to deal with the unexpected;
- Able to work collaboratively with people from a variety of different backgrounds.

#### **As all volunteers will also be delivering holiday camps, they will ideally:**

- Have some experience of working with children/young people;
- Be creative and able to come up with new and interesting activities;
- Be patient;
- Be observant and inclusive, to make sure no-one gets left out;
- Have some experience of teaching or supporting young people to learn in either formal or informal settings.
